Oleksandr Dzisiak
Frontend developer

I am a highly motivated **developer** with a passion for creating visually appealing and user-friendly web applications. My skills include proficiency in **HTML, CSS, JavaScript,** as well as experience with popular frameworks such as **React.js**. I am always eager to learn new technologies and stay current with industry trends. I am a quick learner and a team player, and I am dedicated to delivering high-quality work on time. And i love to refactor code and constantly learn new things in JS, **love to write code** and see the results of my efforts.
